

## **Acceptable Use Policy (AUP) for Laius Group**

**Effective Date:** June 26, 2025

**Last Reviewed:** June 26, 2025

This Acceptable Use Policy (“AUP”) outlines the acceptable and prohibited uses of services provided by Laius Group (“we,” “our,” or “the Company”). This policy is designed to protect the integrity, reliability, and security of our systems and services, as well as to promote responsible and lawful use by our users and clients.

By using any Laius Group service, you (“User,” “Customer,” or “Client”) agree to comply with this AUP, in addition to any specific terms of service or policies applicable to individual services.

### **Scope**

This AUP applies to all users of the following Laius Group services, including but not limited to:

- **Laius Lighthouse** (client dashboard and account management portal)
- **Laius Space** (cloud storage and personal drive solutions)
- **Laius Storefront** (sales platform for pre-built website templates)
- **Marketing and Digital Services**, including social media management, graphic design, website design, and other agency offerings provided by Laius Group

For policies regarding **Laius Echo**, our email service platform, please refer to the separate Acceptable Use Policy available at [insert URL here].

### **Acceptable Use**

Users of Laius Group services are expected to:

- Comply with all applicable local, national, and international laws and regulations
- Respect the intellectual property rights of Laius Group and third parties
- Use provided services only for their intended and authorized purposes
- Ensure that content uploaded or transmitted does not contain malware, illegal material, or content that violates privacy, copyright, or community standards

- Maintain the confidentiality of login credentials and report any unauthorized access immediately
- Use resources (such as bandwidth and storage) responsibly and without disrupting service availability to others

## **Prohibited Use**

Users must not:

- Engage in any activity that could harm, degrade, or disrupt Laius Group infrastructure or other users' access
- Attempt to gain unauthorized access to any Laius system, account, service, or data
- Use Laius Space or any storage platform for the distribution or hosting of pirated content, malware, hate speech, or illegal material
- Abuse Laius Lighthouse or other dashboard functionality to bypass fair usage limits, send spam, or conduct any form of malicious automation
- Use our marketing services (including social media management) for the promotion of unlawful, violent, or misleading content
- Resell, sublicense, or redistribute any Laius Group service without explicit authorization

## **Enforcement & Violations**

Violations of this AUP may result in account suspension, restriction, or termination without prior notice, depending on the severity of the offense. Laius Group reserves the right to investigate suspected violations and cooperate with law enforcement where applicable.

We may modify this policy at any time to reflect changes in our operations or regulatory requirements. Continued use of Laius Group services constitutes acceptance of the most current version of this policy.
